1 Getting Started

Electronic submissions provide an opportunity for attorneys and self-represented litigants (submitters) to efficiently upload and file court documents through the Internet using a standard web browser.

Who May File Electronically?

Attorneys

To register as an attorney, a valid Arizona Bar Number evidencing admission to the state or local bar is required. This number will be requested as part of the registration process.

Out-of-state attorneys, who have been admitted *pro hac vice* in an existing case by the Court, are also required to register as users in the system using their state's bar number.

Self-Represented Litigants

Self-represented litigants – or non-attorneys who choose to represent themselves in court proceedings – may (but are not required to) e-file within the system. If they choose to file electronically, self-represented litigants must register and obtain a user name and password.

Associated Attorneys and Legal Assistants

An attorney who is a registered user may permit an associated attorney or legal assistant to file documents under the registered attorney's user name and password. However, the registered attorney remains accountable and responsible for all such submissions.

Electronic Submission Basics

Hardware and Software Requirements

The application is a web-based electronic filing (e-Filing) system. To use it, you must be able to connect to the Internet, have an email account through which you can receive notification email messages, and the ability to produce Microsoft Word (DOCX), ODT, or PDF files. Access to a scanner will allow you to turn paper documents into electronic files you can submit through the e-filing system.

Internet Access: You must have a personal computer or workstation that can connect via an Internet provider or network to the Internet. You should have a cable modem or DSL internet access. The website is best viewed in Internet Explorer 9 and above, Mozilla Firefox, and Google Chrome.

Email Account: At least one email address is required for registration and notification

Document Formats and Size

Format requirements for documents to be electronically submitted are presented below. If your documents do not meet these requirements, the application will automatically reject the submission.

- Documents may be in PDF, DOCX or ODT formats. Proposed Orders, Proposed Judgments, and Proposed Notice of Hearing documents must be in DOCX or ODT.
- Document size may be no larger than 9 MB.

- Submission's total size may be no larger than 100MB.
- The application runs a virus checker when the submission of a document is taking place. All documents must be virus-free. The application will automatically reject a submission containing a virus.
- **No password protection or other security devices may be associated with a document.**

Electronic Payment of Fees

To complete the process of submitting a case, the court must receive payment of the fees associated with the submission. Fees and costs may be paid electronically using an approved credit card through the authorized payment provider. For parties who have an active fee waiver or fee deferral order from the court for the case they are submitting in to will have the opportunity to indicate such in the application.

Accessing the Application

To access the application, follow these steps:

1. Open your Internet **browser**.
2. Go to the Electronic Filing website: <https://efile.azcourts.gov>

The screenshot shows the login page for the Arizona Judicial Branch Statewide eFiling System. At the top, it says "Welcome to the Arizona Judicial Branch Statewide eFiling System" with a "Help" link and a question mark icon. Below this is a "Login" section with a "Required Field" label. There are two input fields: "User Name" and "Password". Below the "User Name" field is a "Sign In" button, and below the "Password" field is a "Forgot Password?" button. Below the login section is a "Do not have an account - Register Now!" section. It says "If you need a portal account, please indicate the filer role you need and click Register." There is a "Role:" label with a dropdown menu showing "Select Role" and a "Register" button. At the bottom, it says "This website is best viewed in Internet Explorer 9 and above, Mozilla Firefox, and Google Chrome."

Signing In

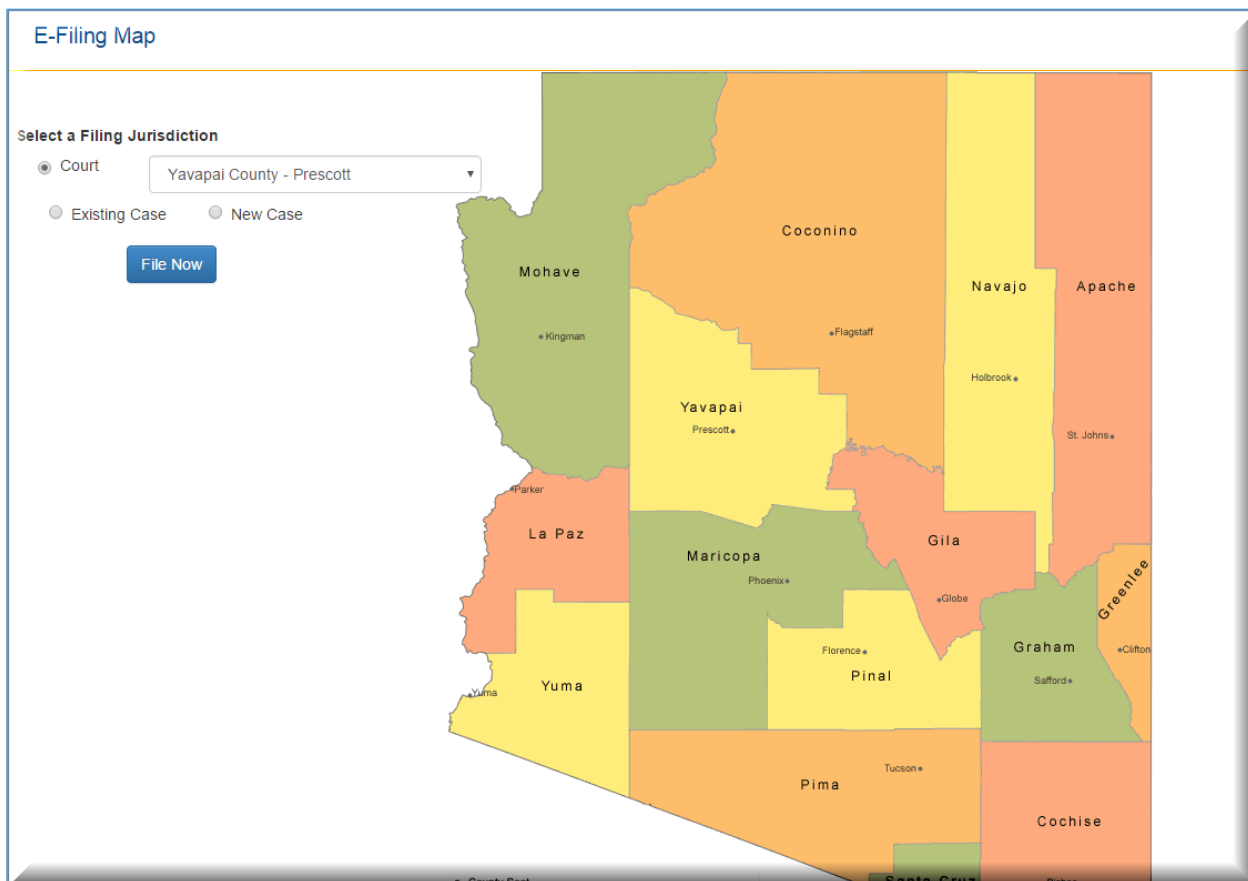

If you have already registered for an account you can sign in and use the application by following the steps below. To register for an account, click the "Register" link. Click here for instructions: [Registering for an Account](#).

1. In the User Name box, type your **user name**.
2. In the Password box, type the **password** you have specified for your account.
3. Click the **Sign In** button.

The screenshot shows the login page with the "User Name" and "Password" input fields highlighted in yellow. The "Sign In" button is also visible.

4. After sign-in, the application displays the **e-Filing Map** screen.

The E-Filing Map Screen

The E-Filing Map Screen allows you to choose court jurisdiction and view your account and submission options.

Banner

This banner appears on every screen, shows who is signed in, and provides access to the account management and submission options through menus and shortcuts.

Welcome Message

The Welcome message displays the name of the submitter who has signed in to the application and the date and time of the submitter's last sign in. If you have signed in under the wrong account, you can sign out and sign in with the correct account information.

Shortcuts

Above the Welcome message is a group of links to functions you will use often. The shortcuts save you time by jumping directly to a function instead of using the menus. For example, you can return to the My Filings screen from anywhere in the system, by clicking the My Filings link.

Terms of Use/Privacy Statement/Accessibility/Request Support

These links appear in the bottom left of the page. By clicking the button you will be taken to the appropriate document or page.

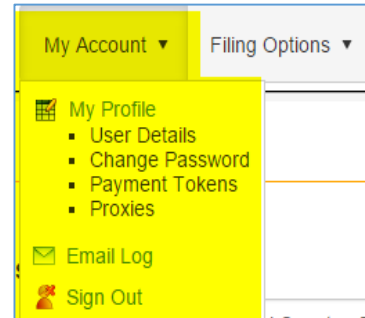

The "Request Support" link will open a page allowing you to enter information and request support from the Administrative Office of the Court (AOC) Support Center.

A screenshot of the "Request E-Filing Support" form. The form has a blue border and a title bar. It contains a "Required Field" section with two questions: "1. Tell us about your self." and "2. How can we help you?". The first question has five input fields: "Role" (dropdown menu with "Attorney" selected), "Your Name" (text field with "John Attorney"), "Phone #" (text field with "602-452-3630"), "Email" (text field with "mfoltz@courts.az.gov"), and "Bar #" (text field with "864359"). There is also a "Do you have a submission #?" field. The second question has a "Question/Comment" text area. On the right side of the form, there is a "You may contact us by phone" section with business hours and contact numbers: "602-452-3519 or 800-720-7743".

4 Submissions

The submission process involves these steps:

5. Attach documents
6. Specify payment type
7. Review the submission and make payment

Prepare the Documents You Want to File

An important best practice is to prepare the documents for your submission before you sign in and begin the submission procedure. This will save you lots of time later on.

- Perform any scanning of paper documents ahead of time. For example, Exhibits and Attachments.
- **PLEASE ATTEMPT TO ATTACH ALL EXHIBITS AND ATTACHMENTS TO YOUR LEAD DOCUMENT MAKING IT ONE LARGE DOCUMENT.** If your document is larger than the allowed 9.5mb, then you may split them into the Lead (with all attachments/exhibits adding up to 9.5mb) and then the remainder of the attachments/exhibits as connected documents. If you must add attachments/exhibits as connected documents, please title the connected document as “Exhibits 9-20, COMPLAINT”.
- Documents are allowed to be attached as .DOCX, .ODT, or .PDF. Proposed Orders, Proposed Notice of Hearings, and Proposed Judgments **MUST** be attached using .DOCX or .ODT only.
- Although a submission may contain multiple documents, they must all be associated with the same case.
