Case No. \_\_\_\_\_

**DEFENDANT'S APPLICATION  
FOR EARLY TERMINATION OF  
PROBATION**

The defendant asks the court to terminate the defendant's probation early pursuant to A.R.S § 13-901(E) as amended September 29, 2021:

E. The court, on its own initiative or on application of the probationer, after notice and an opportunity to be heard for the prosecuting attorney and, on request, the victim, may terminate the period of probation or intensive probation and discharge the defendant at a time earlier than that originally imposed if in the court's opinion the ends of justice will be served and if the conduct of the defendant on probation warrants it. On the petition of the victim pursuant to Section 12-1809 and before the court terminates the period of probation or intensive probation early, the court after hearing from the victim shall determine whether to prohibit the defendant from contacting the victim and, if necessary, issue an injunction against harassment against the defendant. If the court issues an injunction against harassment, the injunction must be served on the defendant before terminating the period of probation or intensive probation.
