

## Statement of Asset Distribution Instructions

You are required to attach a statement to your final conservator's account describing what happened to any remaining assets that were in your care at the conclusion of the conservatorship. Were the assets returned to the former protected person, who is no longer incapacitated? If the former protected person is deceased, were the assets transferred to an appointed personal representative of the decedent's estate? If neither circumstance applies, who received the assets and why are they entitled to do so?

While there is no mandated format for the Statement of Asset Distribution, you can select the optional form (available on the probate website) and use the format provided.

- If you are completing the form by hand or electronically and you need to add additional lines in any category, you will need to print another blank form.

Please remember: you remain responsible for protecting this estate until you are discharged and relieved of this responsibility by the court. If you distribute the assets without authority, you can be personally liable for any improper distribution.
